CALENDAR ITEM NO. **C05** (CONT'D)

2. On January 21, 1988, the Commission authorized a seven and one-half year General Lease - Commercial Use, with two successive renewal options of ten years, to Seven Resorts, Inc., a Nevada Corporation, dba Seven Crown Resorts, dba Paradise Point Marina. On November 15, 1994, the Commission authorized the first ten-year renewal option to Seven Resorts, Inc. Seven Resorts is now applying to exercise the second and final ten-year renewal option, effective March 26, 2004. In addition, pursuant to Consideration under Section 1 - Basic Provisions, "should Lessee exercise the options to renew granted under this lease, the consideration set forth herein shall be subject to modification by Lessor, as specified in the Lease". Therefore, the rent is being changed from \$3,780 per year to \$4,486 per year, effective March 26, 2004.
3. Less than half of the water improvements at the marina are under this lease due to the fact that Bishop Cut is not a natural waterway and therefore not subject to State Lands Commission jurisdiction. The marina improvements in Disappointment Slough, however, are occupying sovereign lands, and therefore subject to Lease No. PRC 7123.1.
4. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA as a categorically exempt project. The project is exempt under Class 1, Existing Facilities; Title 2, California Code of Regulations, section 2905(a)(2).

Authority: Public Resources Code section 21084 and Title 14, California Code of Regulations, section 15300 and Title 2, California Code of Regulations, section 2905.
5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.
